Death Takes Two Prominent Carmel Citizens Past Week

COLONEL CLAIR FOSTER

All Carmel was shocked and saddened by the message Saturday telling of the passing of Colonel Clair Foster, who died from a heart attack in Denver the preceding Wednesday. Funeral services were held in the Colorado city.

Colonel Foster and his wife had been to British Columbia and were enroute to their New England estate when death occurred.

In the passing of Clair Foster, the world has lost a valuable man, particularly the radio world. In his talks with other operators over the world, he sent many thousands of messages for people, bringing hope and comfort to hundreds in news from loved ones. The colonel was editor of a well known radio magazine and fought to preserve the rights of the amateur. In the Sun editor's last talk with him, he told of how the magazine work took up his time, but he felt that he might be able to do some good.

In the passing of Clair Foster, Carmel has lost a fine citizen, a good neighbor and a man who would always lay aside his own private work to take up the cudgels for the people. He sawed many elections as he thought they should go.

The Fosters came to Carmel in 1923, living in Dolores street, where the colonel also built his radio room. It was the Sun editor's great privilege to call him "Friend."

Chief of Police Robert Norton and wife have returned from a two weeks' vacation spent at Robles del Rio. Mr. Norton is feeling much rested. He said he had planned to ride, play golf, etc., but found he enjoyed doing nothing better.

CITY TAXES DELINQUENT

AFTER DECEMBER 30TH

City taxes on all Carmel real property will be due November 4 and if not paid by December 30 will become delinquent and a ten per cent penalty added.

287 business licenses have been paid this year, and 13 are delinquent. Of the 300 who must have licenses to operate, 105 are trucks which deliver within the city limits.

ROBERT H. DURIEE

About a year ago, Robert H. Duriee, personal friend, brought to the Sun a detailed account of his life to be published when he passed away. When we took him to task for thinking of death, he said he was 79 years of age and could not expect many more years. A little later, he took his papers away to make a change in them and had not returned them when we left December first. We are sorry we did not get them back, since we should have cherished them as we do many other papers he gave us. For he was our friend. Each week he climbed the stairs at the city hall to copy the daily abstract for us because he felt the paper should run this feature, and when questions of public interest arose, he tried to give us ideas from all angles of the case. It is with sadness we write this tribute.

Mr. Duriee was a man of wide experience in the theatrical world, traveling as an acrobat for many years.

Only last year, as Mr. Duriee passed Sunset school while the children were practicing tumbling, he joined in the fun, explaining the art and demonstrating it for them.

One of the clippings in our possession is from Variety, July 24, 1934, written by Epes W. Sargent and concerns the origin of the Orpheum Circuit. It reads:

"This article is based upon newspaper clippings, letters, old programs, etc., supplied by Robert Hanna Duriee, known during his professional career as Robert D. Girard, through his association with the once famous team of legmaniacs acrobats, which included also Russell and Emile. Girard was the first Orpheum agent in Chicago, later moving on to New York. He now lives in retirement in Carmel, Cal."

Although Mr. Duriee had spent the winters of 1907 and 1908 in Carmel, he did not come here to make his home until 1916. He was stricken with a heart attack Thursday night and passed away Friday morning about 9:30, at the age of eighty years and four days. His mind was that of a young man in the vigor of life.

In one of his earliest talks with us, Mr. Duriee told how he had been walking down West 28th street with Mr. Sargent, then dramatic editor of the New

W. P. FEE WILL BUILD
ON OCEAN AVENUE

Work will begin within the next two weeks, it is reported, on a new building to take the place of that on Ocean avenue, next door to the library garden, now occupied by Paul Mercurio and by the Little Shop.

It is said that Mr. Mercurio will lease a part of the new building and that a shop will be located in that corner now occupied by Mrs. Edwards with the Little Shop, which is going out of business the 19th of this month.

MRS. CAROL EDWARDS IS

CLOSING OUT LITTLE SHOP

The many friends of Mrs. Carol Edwards and her Little Shop are sorry to learn that after October 19 the shop will enter into history. Carmel people are glad to learn, however, that Mrs. Edwards will continue to make her home here.

Mrs. Edwards opened her shop here about three years ago on Lincoln street and about two years ago moved to Ocean avenue in her present location. Her shop soon took a distinctive place with those who desired something unique and for the past year has enjoyed especially good patronage.

"I shall be sorry to go out of business," said Mrs. Edwards, "as I shall miss my friends who came into my shop, but ill health compels me to take a rest."

Mrs. Edwards' special closing out values give shoppers a wonderful opportunity to buy Christmas gifts and save wear and tear on nerves and pocket-books at Christmas time.

SHELL OIL CO. RECOVERS

CAR STOLEN SUNDAY

A car stolen Sunday night from A. G. White, from his garage on Dolores street, belonging to the Shell Oil company, was recovered Tuesday on Mission street, Carmel, between Eighth and Ninth.

People of that neighborhood reported that three men had parked there about 10:30 Monday night and had sat quarreling until midnight when they abandoned the car and left.

Mr. White, in checking over the car, stated that it had been driven about 800 miles.

At the age of 84, Frank Skocpol passed away early Tuesday at his home in Oak Grove. He is survived by his widow and seven children. The deceased came to Monterey in 1917, from Burlington, Kans.

York Morning Telegraph, when he was struck by the din of pianos from all sides. "This is a regular tin-pan alley," he said. When Mr. Sargent gave him credit for the phrase in his columns, the name struck a responsive chord in the public.

Surviving Mr. Duriee are his widow, Lillian K. Duriee, and a son and daughter by a former marriage, Robert C. and Marjorie B. Duriee.

Funeral services were held from the Dorney chapel Monday afternoon and the remains sent to San Jose for cremation.—E.F.B.

SUN DECLARED IN COURT
TO HAVE LEGAL STATUS

Owing to underhanded policies of some of the Sun's competitors, the editors went to the trouble and expense of having the paper declared a "newspaper of general circulation" through the superior court.

The paper has been a "legal" publication for nearly two years, and the court decree was a mere formality.

Under the original and present owner the Sun continues to grow in popularity with new subscribers added daily and many good wishes expressed for its future prosperity.

EXCELLENT PROGRAM GIVEN

AT LEGION MEETING

Description of the earthquake in Japan and the part played by the United States in relief work was the subject taken by General D. W. Hand when he addressed the Carmel Legion at their meeting Monday night.

Robert Welles Ritchie, formerly a foreign correspondent for the Hearst newspapers, spoke entertainingly upon his experiences in Europe and England.

Col. G. C. Lawrence was in charge of the evening's program, and received congratulations upon his success.

James Reagan was appointed chairman of a committee from the Legion to work with H. L. Crossman in the drive for funds for Boy Scouts, now under way.

FILIPINO GETS SETTLEMENT

IN CASE AGAINST COUNTY

Monterey county was compelled to compromise in the case of Ruffo Canete, a Filipino, who sued to collect \$15,000 damages as a result of a raid on his place by a mob during lettuce disputes some time ago in Salinas.

The county settled for \$9,000, but the cases of 53 Filipino laborers, will be contested.

The supervisors have stated that they will make every effort to name the members of the mob and to recover the money paid for damages.

SUN WELCOMES MIKEL'S

BACK TO ITS COLUMNS

Carmel Sun this week welcomes back to its folds Mikel's Grocery, located on Del Monte avenue.

Mr. Mikel has many customers among Sun readers who take advantage of his many bargains offered.

Miss Gerry Thienes was appointed by exposition officials as hostess in the reception to Miss Schneider of New Orleans, who was designated the most popular girl in a radio contest and given a trip to the fair at San Diego.

Meeting time and place of the Carmel Towensend club have been changed from Monday night at Sunset school to Friday night at the Manzanita club. The first meeting in the new location will be tomorrow (Friday) night.

Thieves entered the Work Lumber mill at New Monterey, and took eight padlocks and ten glass cutters Sunday night.

IDAHO MAN SHOT WHEN
CAUGHT STEALING PURSES

Horner Logstrom, who, it is alleged, was caught by Monterey police while stealing a purse from the Knotty Pine Inn, was shot and killed Sunday night when he attempted to escape on his way to the station.

Logstrom, a lettuce worker, was in company with three others from Salinas, one being Virginia Ruiz, 24, who was held for questioning but released on motion of Deputy District Attorney K. Y. Saperro.

Logstrom feigned drunkenness but suddenly came "alive" and jumped from the police car. He was called upon to halt but failing to do so, was shot, death occurring almost instantly. Police are checking up to find out whether he had a criminal record.

PACIFIC GROVE FIREMEN
ENTERTAIN THREE COMPANIES

With the Carmel firemen in charge of the program, the Pacific Grove organization entertained Monday night in the Grove city hall council chambers.

Guests of the occasion were the Monterey, Carmel and Carmel Highlands fire fighters, and as many of the public as were interested.

Fire Chief Robert Leidig headed the program and arranged for talks and demonstrations on fire prevention. He was assisted by B. W. Adams, Paul Funchess, Fred Mylar and Paul Mercurio.

The Pacific Grove firemen were splendid hosts and the evening was an enjoyable one.

CITY HALL TO HAVE
FIRE ESCAPES SOON

"Where can we place the fire escapes so that one could escape should there be fire at the city hall?" was the burning question facing the Carmel Development company this week. B. W. Adams and John Neikirk thought those in the office of the chief of police could make their way out over the flat roofs to the fire proof building of the Monterey Bank and Trust company; an escape from Judge Wood's office, it was felt, would be worse than useless, only serving to lower one into the runway where he might be trapped. Adams' office, it was thought, is not unlocked enough to pay for having one there, and this brought the escapes to the office of the city clerk or the council rooms.

City Clerk Sadie Van Brower thinks the escape is going to be "mighty nice to sit on and get cooled off."

A most enjoyable evening was spent at Carmel Mission Tuesday when the ladies of the church gave their opening whist party of the season. Mrs. A. E. Sparks was head of the committee on arrangements. Fourteen tables were in play and many lovely prizes were given. Adam Kraemer won first prize, \$2.50 in cash, while Charles Frank won second high, a \$2.50 grocery order.

Capt. George L. Wood returned home Monday night from near Pendleton, Ore., where he had been commander of the CCC camp. Capt. Wood is a chemist and expects to secure work in his own line.

CARMEL-SAN SIMEON ROAD
NOT OPENED NEXT YEAR

Hopes for the opening of the Carmel-San Simeon highway in 1936 have been blasted with the announcement by Highway Engineer Charles Purcell that not until the spring of 1937 will the road be opened, and that at that time, it will not be completed.

The sum of \$300,000 would have to be allocated in the next biennium budget, Purcell explained at a meeting of the highway commission, to finish the project.

Those from Monterey who attended the meeting were: Senator E. H. Tickle, B. J. Pardee, C. S. Olmsted, W. J. Crabbe and V. V. Adams.

Governor Merriam assured the committee that he would do everything in his power to hurry the opening of the highway.

LA BONITA BEAUTY PARLOR
MOVES TO NEW LOCATION

La Bonita beauty shop has moved to its new location just two doors south, in the Leidig building on Dolores street.

New booths have been installed, and the shop equipped with all new furniture in chromium and the very latest in wave machines, dryers, etc., added for the comfort of the customers.

Hair dries in one-third less time under these improved new driers, according to Mrs. May Marr, one of the proprietors.

Mrs. Marr has been on the peninsula nine years and has a large following. She was first located at the San Carlos, then on Polk street and later at the Del Monte, coming to Carmel August 1st.

The proprietors invite you to call and inspect their new shop, and here's a tip: don't think you are seeing double for Mrs. Marr and Mrs. Skadan are twins.

CARMEL COMMUNITY CHURCH

Church School, 9:45 a. m.

Worship at 11:00 each Sunday morning. You will always find a hearty welcome at these services.

Rev. Melvin A. Dorsett,
Pastor.

Only a very few women turned out Tuesday afternoon to meet Mrs. Theima Morton Hillman, superintendent of women's work, WPA, who was present at Sunset school from 1 to 3.

"There are ten accepted projects at present in Monterey county," said Mrs. Hillman, "among them being renovating of the high school at Pacific Grove; recreation program for children, Monterey; sewing projects; directed play at the M.U.H.S.; Pacific Grove murals; wood carving at Monterey; historical surveys of the county; business assistants at the community chest."

Other projects Mrs. Hillman plans to propose are: survey of handicapped children, the handicaps consisting not only of financial and physical problems, but also comprising their social opportunities; a teachers' survey, in which an attempt will be made to secure data concerning every person who has been teaching since 1885, thus assisting those who are eligible to obtain their pensions; nursery schools.

One of Mrs. Hillman's pet projects seems to be "visiting housekeeper." Here, she explains, women will receive one day's training in all the household arts each week and go out among the destitute for four days each week for practical experience. When they finish the course they will be well trained as maids or housekeepers and will be able to be self supporting, according to Mrs. Hillman.

"I will place no woman at the head of a project until I interview her personally," stated Mrs. Hillman, "I want to know her educational background, her experience and her preference for work." She is usually able to find college women, she explained, to take these important places.

One interesting thing Mrs. Hillman is planning is a newspaper to be published at Santa Barbara and to be given free to each member working in her district. She also plans for a tea to be given the workers each month by the supervisors.

June Delight has been engaged to give dancing lessons to pupils of Forest Hill school and conducts her classes there each Wednesday.

NEW HOTEL OLYMPIC
230 Eddy St. San Francisco

About sixty parents and teachers were present last Thursday evening when the P.T.A. of Monterey Union high entertained the high school faculty. Supt. J. R. McKillop gave the principal address of the evening, speaking on "The High School; What We Accomplished Last Year, and Our Aims for This Year." L. E. Wormley spoke of the aims of the night school for adult education and Burton Boundey spoke of SERA art projects. Games were enjoyed after the program and refreshments were served in the school cafeteria.

After a three months' visit abroad, Dr. and Mrs. David Spence have returned to their home in Monterey Peninsula Country Club. While on their

trip, they visited the doctor's mother in Aberdeen, Scotland. They stopped in the eastern part of the United States enroute for home.

Nearly 75,000 cases of sardines were canned by the eleven canneries of Monterey during the last half of September and canneries workers, numbering more than 2,000 were paid \$80,000. Two hundred more workers were placed on the pay rolls during the period designated, and a call has been sent out for more women packers.

An accident occurred on the Los Angeles-San Francisco highway early Saturday morning when a truck driven by Ernest Zanetta crashed into a car occupied by three Filipinos of Car-

mel Highlands Inn, killing them instantly. Zanetta was not held responsible since the Filipinos were driving on the wrong side of the highway. He was driving a truck loaded with 11 tons of albacore, and the fish were scattered about the road. The Filipinos were: Julian Mangaser, Pedro Baeungan and Fred Astre.

At the meeting of the executive board of the Business and Professional Women's club last Thursday evening at the home of the president, Nettie Hyde, plans were made for the business meeting to be held tonight at the home of Mrs. A. C. Heidrick on Soledad drive and the dinner and program to take place October 24 which will be in charge of Bee Baker and Caroline Barney.

CHRISTIAN SCIENCE CHURCHES

In all Christian Science churches, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., a Lesson-Sermon will be read Sunday, October 13, 1935, on the subject "Are Sin, Disease, and Death Real?"

The Golden Text will be: "The prayer of faith shall save the sick, and the Lord shall raise him up; and if he has committed sins, they shall be forgiven him" (James 5: 15). Bible selections will include the following passage from Rev. 21: 4: "And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away."

A passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be included, which reads as follows: "The very circumstance, which your suffering sense deems wrathful and afflictive, Love can make an angel entertained unawares. Then thought gently whispers: 'Come hither! Arise from your false consciousness into the true sense of Love, and behold the Lamb's wife, — Love, wedded to its own spiritual idea.' Then cometh the marriage feast, for this revelation will destroy forever the physical plagues imposed by material sense" (p. 574).

"Benefits of the Townsend Plan, Should It Be Adopted" was the subject taken by Miss Lillian Brent, San Jose, in her talk before the Seaside Townsend club last week.

Autumn flowers were used in decorating the lovely home of Mrs. Ray Baugh Friday when a tea was given for members of Tau Mu and their friends. Mrs. Baugh was assisted in serving by Mrs. Roland Ingels, Mrs. C. Chase Proper and Mrs. Ralph H. Brady.

The Guild of St. Mary's-by-the-Sea served luncheon to sixty at noon Thursday. These luncheons are monthly affairs and are growing in popularity.

After a visit with her son and two daughters in Montana, Mrs. Kate Brown has returned to her home in Monterey.

Mrs. N. E. Vergon, Carmel, has returned home after an interesting visit to Yosemite and Tuolumne Meadows.

Dr. Ralph Bolin, instructor at Hopkins Marine station, has moved from Pacific Grove to his new home on Carmel Point.

Mr. and Mrs. Herbert W. Graham of Hopkins Marine station have gone east to spend their vacation, making the trip by motor. Mr. Graham will visit the Carnegie Institution while away.

A most delightful day was spent Monday by the ladies of the Carmel Missionary society at the Rest House on Dolores, when they packed a Christmas box for Indians in Arizona.

At their session Wednesday, plans were discussed by the Pacific Grove Colony of New England Women for the visit of their president general October 28. The meeting was held at the home of Mrs. Robert Hafner and was preceded by a luncheon.

A sight-seeing trip about the peninsula was one of the entertainment features planned by Mrs. Pat Hudgins and Mrs. T. W. Van Ess for the week-end guests at the Girl Scout convention at Asilomar. Among the distinguished guests was Mrs. Herbert Hoover, president of the National Girl Scouts organization, and former Monterey resident.

MANY AUTOMOBILES STOLEN ON CALIFORNIA HIGHWAYS

Approximately 3175 motor vehicles operating on highways of California are being moved under shadow of a theft record.

In addition, there are about 25,770 cars on the highways that bear altered engine numbers that owners should have investigated by state department of motor vehicles.

This information has been presented to Ray Ingels, director of motor vehicles, by Lon W. Butler, manager of the department's Los Angeles office, following a five-month survey of engine number inspections. In investigating engine numbers of 13,754 vehicles at the Los Angeles office in the period from January 1 to May 31, Butler discovered that engine identifications of 154 vehicles had been altered. Check on the cases of tampering resulted in recovery of 19 stolen vehicles worth more than \$8000.

Estimates arrived at in the five-month survey indicate that .00138 percent of all vehicles inspected are stolen, that .0112 percent of vehicles inspected have altered engine numbers, and that .1234 percent of vehicles with altered numbers are stolen.

The estimate of the number of stolen cars and cars with altered numbers on California's highways is figured from the total number of resident and non-resident vehicles operating in the state in 1934, using the percentages deduced for multiples.

Vehicle owners are urged to protect their interests by taking any car that appears to have an altered engine number to a department of motor vehicles office for investigation.

Mrs. George P. Ross, Carmel, left Sunday night for Susanville for a visit with her parents.

The many friends of District Attorney Brazil and his wife were sorry to learn that Mrs. Brazil had been stricken with appendicitis and was compelled to undergo an emergency operation which was performed late Sunday night. She came through splendidly.

Tanner H. Brown, Pacific Grove, was sentenced to pay a fine of \$50 and spend 60 days in the county jail when he pleaded guilty before Judge Monty Hellam to a charge of drunken driving. He paid the fine and the sentence was suspended on six months' good behavior.

Mayor James H. Thoburn and family have returned home after a short two weeks' vacation. They had planned to be away for several weeks but were called back by business interests. The Thoburns visited the Mojave, Long Beach, Sonora, the Big Trees and other interesting points on their trip.

Mr. and Mrs. John Morton, Carmel, have gone to attend the fair at San Diego.

Miss Celia Seymour charmingly entertained at tea at her Carmel home Thursday afternoon, honoring Seyn our Thomas, well known portrait painter, and Mrs. Thomas.

Department president, Mrs. Katherine Schroeder, Los Angeles, will be a guest of Sherman Circle, G.A.R., November 7. At the meeting of the circle Thursday afternoon, the chart was draped in memory of Mrs. Mary Young, who passed away recently.

Plans for charity activities for the coming winter were discussed at a special meeting of the Tau Mu society Monday evening at the home of Mrs. Archie J. Hart in Pacific Grove. The members also laid plans for the Founder's Day dinner to be held October 30 at Highlands Inn.

VETERAN NEWSPAPER MAN VISITING IN CARMEL

Among the interesting visitors to Carmel this week is Colonel M. A. Irwin, a member of the Sacramento Union staff. The colonel stated that the Union was the first daily paper west of the Mississippi river and that he often turns to the old files to read from the pens of Mark Twain and Bret Hart. The files for the first two or three years, he stated, are at the state capitol, and the paper is now 85 years old.

The colonel stated that he had almost forgotten his given name and initials, having been known for so long simply as "Colonel Irwin," due to his office as second lieutenant in the Spanish American war.

J. A. Morris and wife, Carmel, spent the week-end with friends in Atascadero.

Charles Grimshaw and wife, Carmel, have returned home from a ten-day stay in Salt Lake City where they visited friends and relatives.

The Business and Professional Women's club is planning for a dessert bridge party and autumn fashion show to be held October 22 in the Spanish lounge of Hotel San Carlos. Proceeds from the affair will be used for charity, the club assisting high school girls who need help, donating \$25 to the Community Chest and \$25 to the Community Center.

The Neighbors of Woodcraft will be hosts at a district meeting to be held in the Monterey Pythian hall October 15. With hostesses wearing appropriate costumes, the Spanish theme will be carried out through the whole program.

In the presence of immediate relatives, Miss Rosalie Kimball became the bride of Mr. Sidney Pickles at St. John's Chapel Sunday morning, Rev. Albert E. Clay of Pacific Grove performing the ceremony. The bride is one of the popular young women of Pacific Grove and the groom is an Oak Grove boy, although for the past year he has been employed in San Francisco. They will make their home in Oakland.

Ocean Spray chapter, O.E.S., will open at 7:30 p.m. instead of at 8:00 as was the custom during the summer. There will be no further meetings during October on account of Grand Chapter being in session at the next date, but a social time will be enjoyed on the evening of October 16 and a program of fun is being prepared to chase away the gloom.

Charles P. Polston, Seaside, chose a 50-day jail sentence allotted to him in lieu of a \$100 fine when he pleaded guilty Monday morning before Judge Hellam to a drunken driving charge.

Edwin Ewing, Pacific Grove, was sentenced to spend 60 days in jail and pay a fine of \$50 after being picked up on a charge of drunken driving. He will not serve the sentence unless he violates the law again within six months.

Mrs. Kate Ross, Pacific Grove, passed away Sunday morning at a local hospital where she had been removed Saturday suffering from pneumonia. When her neighbors failed to see her about her home, they called the police who broke down the door and found her unconscious. Her body was shipped to San Jose for funeral arrangements.

Among the Pacific Grove young people who came home from school for the week-end were Robert Ward, Jimmy Strang, and Louise and Wayne Cowan.

Mrs. William Cummings, Pacific Grove, was hostess to the Woman's Home Missionary Society of the Methodist church Tuesday afternoon.

The Red, White and Blue club was entertained Friday afternoon at the home of Mrs. Charles Bell, Pacific Grove.

The Old Monterey P.T.A. is planning for a drive for membership to be conducted through the children of the school. Those joining now will be paid to July, 1936.

The ladies of the Monterey Presbyterian church are holding a rummage sale this week in the old Climax Furniture building at the corner of Franklin and Pacific.

Frank Townsend and family have moved to the Bathen residence on Carmel Point for the winter.

Mr. and Mrs. A. C. Grimshaw, Carmel, have gone to their old home, Cedar City, Utah, and to other points in that state for a vacation. Mr. Grimshaw, who is proprietor of the Associated Gas station at San Carlos and Sixth, plans to do some hunting while away.

Mrs. E. Cooke Smith has returned home from a ten-day visit in San Francisco where she attended the national Girl Scout convention.

Leo Birinaki, Hollywood, was a recent arrival at Hotel La Playa, Carmel. Mr. Birinaki was responsible for the screen adaptations of *Mati Hari* and *Anna Karenina*.

Rev. and Mrs. Willis G. White, Carmel, are enjoying a visit from their son, William Gail White and his wife. Mr. White has been connected with the marine corps for several years.

The Monterey Masonic lodge is planning for a whist party to

be held in Masonic temple October 16. One of the prizes will be a turkey and many other useful gifts will make play worth while. Refreshments will be served at the conclusion of the games.

The Misses Champlin, who have been spending the summer at their home at Twelfth and Camino Real, have returned to their Pasadena home.

The Past Pochontas club will join the Powhatan Tribe of Red Men in giving a whist party November 15. The next meeting of the club will be held with Mrs. Marie Berkeley, Cedar street, Nov. 8.

Mrs. Markham Johnston, Carmel, returned home Saturday from a three-day visit in Palo Alto.

Mrs. Laurette Bolger, formerly of Carmel, but now with Magnin's in San Francisco, was a Carmel visitor Saturday night and Sunday.

Dr. and Mrs. Camillo Von Kleinsz of Stanford have taken a cottage in Carmel for the fall months.

Mrs. Jessie Askew has returned to her home in Carmel after spending several weeks in Hanford with her son and daughter. The son, H. W. Askew, is now able to be at home after a serious operation. The daughter, Mrs. Funchess, brought her mother home.

The hearing of Gerald Vertens, San Jose, charged with reckless driving, has been set for October 14, before Judge Wood, Carmel. He was picked up on Sixth street.

The Monterey American Legion is making big plans for the annual turkey shoot to be held October 13, and a big sign by the Salinas highway will direct those who wish to find the location.

RECKLESS DRIVERS CRASH RETAINING WALLS; GARAGE

Although Major Totten, living on Twelfth street, Carmel, heard the crash, turned on his lights and ran to his garage, he did not reach the scene of the accident before the drivers of a "wrecking car" were speeding down the street, Monday evening after a large sedan had crashed into his retaining wall then into the support in his garage.

Four feet of the wall were torn away and the garage pretty badly damaged. No trace was found of the drivers although the officers searched throughout the night.

Mrs. S. W. Bagley, Granite street, was hostess to the Friendly Group and Mrs. Silas W. Mack, First street, hostess to the Plymouth Group of the Congregational church at their respective homes Tuesday afternoon.

RED CROSS MAKES

PLANS FOR ROLL CALL

An interesting meeting of the Board of Directors of Carmel Chapter American Red Cross was held at Community Church at 3:30 Wednesday afternoon. At this meeting, presided over by Mrs. Karl Rendtorff, chapter chairman, plans for the forthcoming Roll Call were discussed. The Roll Call is scheduled to begin upon Armistice Day November 11th and to conclude upon Thanksgiving.

"Community interest is increasing in our Roll Call," stated Mrs. Rendtorff, "because our citizens have come to the realization that the work of Carmel Chapter reaches far beyond the demands of the national organization. Here we are the only organization acting for home relief and caring for the unemployed."

"Our program for the coming year has, through necessity, been greatly enlarged as we are gradually taking on the work formerly in the hands of the various Federal relief agencies," said Mrs. Rendtorff. "That means that we must call upon our citizens for increased subscriptions during the Roll Call, in order to

meet our budget."

Carmel chapter stands ready, through its Disaster board, under Byington Ford, chairman to give relief in case of fire, floods, storms, earthquakes, etc. \$500 always lying ready in a special fund for use in local disaster relief with the entire facilities of National Red Cross behind it.

Under the direction of Dr. Lum, classes will soon be formed for instruction in first aid to injured. This will include a junior course for boys and girls from 12 to 16 years.

Junior Red Cross is formed each year in Sunset school, as well as in the private and parochial schools of the district. Last year the Junior Red Cross schools voted to use half of their membership money and also any contributions to help furnish the children's wards to be incorporated in the tuberculosis wing of the county hospital.

Mrs. John Herbert Morse, campaign chairman for the coming roll call, reports great enthusiasm from the volunteers already enrolled for the campaign. A few more workers are needed to man the district committees properly and the organization plans will be gladly explained by Mrs. Morse.

LA MALVAGGIA PROPOGANDA ANTITALIANA NEI COMMENTI SUL CONFLITTO ITALO-ETIOPICO

La sfrontatezza ed il modo assolutamente grottesco con cui certi giornali locali cercano di imbrogliare la pubblica opinione sulle fasi del conflitto Italo-Etiopico è veramente ridicolo.

Certi giornalisti dei nostri dintorni hanno fatto di questo attuale conflitto niente altro che "un business proposition" e tutti i giorni si sente per le strade il grido di: Extra-Extra, dove questi denigratori della nostra Patria pubblicano e descrivono a caratteri cubitali per ingannare la buona fede del pubblico le più spudorate menzogne.

Diserzione di ascari eritrei in massa con relativi equipaggiamenti, sfondo delle nostre barriere da parte di truppe etiopiche che avrebbero invaso parte dei nostri possedimenti eritrei ed altri simili episodi con un dato numero di morti feriti e prigionieri cose che esistono semplicemente nella loro fantasia alterata dalla propaganda antitaliana.

Stando alle ultime notizie ufficiali pervenute da fonte autorevole; il numeroso esercito etiopico entusiasta dai loro comandanti che avrebbero dato agli Italiani la stessa lezione di quarant'anni addietro si è dato valorosamente alla fuga di fronte all'impeto travolgente delle nostre legioni le quali gli hanno impartito a colpi di baionetta la lezione meritata. Così le aride dune di Adua che furono bagnate del sangue dei nostri eroi immolati quarant'anni addietro per la grandezza della Patria hanno visto il nostro glorioso tricolore sventolare vittorioso, nello stesso posto in cui i nostri valorosi soldati sopraffatti dal numero esorbitante di quei selvaggi furono barbaramente trucidati.

Ed ecco che finalmente le legioni romane del Duce hanno saputo eroicamente placare l'or-

goglio di quei fanatici abissini i quali s'illudevano di dare agli Italiani una seconda lezione.

I MOVIMENTI DELLE TRUPPE

ABISSINE SEGNALATE DAI NOSTRI AREOPLANI

I nostri areoplani vigilano continuamente tutti i movimenti delle truppe abissine e le bombardano senza tregua impedendone l'ammassamento. Tutti questi movimenti vengono segnalati al nostro comando il quale agisce in conformità di questi rapporti, che sono preziosi per l'avanzata delle nostre truppe. Così che gli areoplani impediscono a colpi di bombe l'agglomeramento di truppe nemiche, seguono poi i carri blindati i quali hanno il compito di snidare il nemico dalle loro posizioni, segue poi la Fanteria che con quello slancio di è caratteristico il fante italiano mette in fuga il nemico.

Gli operai militarizzati seguono l'avanzata costruendo strade mai viste in quelle contrade, sotto il controllo di ingegneri militari, così da rendere molto più facile il trasporto dei vettovagliamenti al fronte.

Ecco come procede la nostra avanzata Vittoriosa nell'Africa orientale.

L'IMPERATORE SELASSIE AL COMANDO DI UN POTENTE ESERCITO CONTRO GLI ITALIANI

L'imperatore Selassie stenta a credere come mai i suoi milioni di guerrieri non sono stati capaci d'arrestare la travolgente avanzata dei nostri, così si è deciso d'assumere lui stesso il comando delle sue orde nella speranza di qualche successo. Non ha comitato sopraffatti dal numero non è più quella di quarant'anni fa, e che la mitraglia italiana non cercherà nella mischia di risparmiare la carcassa di sua maestà l'imperatore.

Think what a single telephone call can mean..!

THEN... think
of its low cost

"DOCTOR, QUICK!
THERE'S BEEN AN
ACCIDENT! WHAT
CAN I BE DOING IN
THE MEANTIME?"

People often find that they have been paying a big price for being without a telephone. They pay in various ways.

- In inconvenience, trouble and discomfort.
- In loss of contacts with friends and acquaintances.
- In lost opportunities.
- In actual peril of sudden emergencies.
- In countless cases when time saving is vital.
